

Form of Consent for data processing
If you need this information in larger text size or another language, please contact our Data Protection Manager

1. I **confirm** that I have:
 - Read a copy of the Privacy Policy or read the Privacy Policy on the website
 - been given the contact details of your Data Protection Manager
2. I **understand my rights** under data protection
3. I **consent** to my data being used ONLY for the following purposes.
 - To progress my legal matter (insert case name/description), (since without my agreement you cannot act for me)
 - To keep my file during your data retention period on the understanding that it is confidentially destroyed afterwards
 - To keep my name and address details for the purposes set out in the Privacy Policy
 - If applicable: I give my **specific and explicit consent** to process the sensitive data you will need from me to deal with my legal matter (knowing this might include personal details about me like racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, biometric data, data concerning health or data concerning a natural person's sex life or sexual orientation).
4. **Stopping my consent.** I understand that I can cancel this consent at any time by signing and returning the **Stopping my Consent Form** supplied to me or by contacting the Data Protection Manager. I am aware that I will be asked to provide ID if I want to withdraw my Consent so that you can be sure that request is valid. If I stop my consent, I accept this will not invalidate the data processing you have done up to that point. If I stop my consent you will **not** be able to progress any of the remaining legal work set out above.
